Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Quiett called Atty. Ohriner to discuss allowable subject matter for the present application. Examiner told the Attorney that she could not allow 1-6 and 9-11 as indicated in the previous Office Action due to new grounds of rejection (i.e. Chapman in view of Nakatani). Examiner Quiett also stated the reasons why she maintains the rejection for claims 24-27 and 29 as anticipated by Jones. Claim 30 will be objected to as well as claim 28. At this time, Examiner Quiett has found claims 12-14, 18-19 and 23 to be allowable. However, an agreement was not reached because the Applicant was not accessible to the Attorney. .
